Semi-Annual Index

Cement MILL SECTION of CONCRETE

Index, Vol. 21, July to December, 1922

CONCRETE-CEMENT AGE PUBLISHING CO.
1807 EAST GRAND BOULEVARD
DETROIT, MICHIGAN

An illustrated article is indicated by an asterisk after the title.

A

Accident Prevention—Lehigh Valley Safety Council Urged to Prevent Waste ..... July 13
Accident Prevention—Record of Accidents in Quarries .....Nov. 71
—Prevention—Safety Specifications for Conveyors and Conveying Machinery .....Aug. 29
—Prevention—What Are You Doing with Your Scrap?.....Dec. 92
Artificial Cements—Recent Improvements In Manufacture of.....Dec. 95
Association—Lime, Extends Activities.... ..... Nov. 80
Association—Portland Cement Elects New Officers .....Dec. 97
—Work—Bones and Sinews of, by O. B. Towne .....Sept. 48
Associations—Place of Scientific Research In the Program of Trade, by Edward R. Weidlein.....Dec. 94
Australia—Big Blast .....Nov. 78

B

Bauxite Refractories .....July 12
Belgian Cement Plants — Apprehension Regarding, by E. Lee Heidenreich ..... July 11
Belgium—Apprehension Regarding Belgian Cement Plants, by E. Lee Heidenreich .....July 11
—Belgians and Germans Dominate European Cement Industry.....Dec. 91
Bin Design—Chemist's View of, by H. Larmour .....Sept. 40
Bins—Withdrawing Fine Material From *, by E. J. Strock, P. R. Chamberlain, and John J. Porter.....Aug. 39
Brazil—Cement In .....July 13
—German Cement Supreme In.....Oct. 63
—Imports of Cement Into.....July 12
Bureau of Mines Assistance to the Lime Producer, by O. Bowles.....July 9

C

Cal—Corrosion Tests with, A Letter from the Cal Chemical Co.....July 17
Canada—Duty On Cement.....Dec. 96
Cars—Effect of Shortage of Coal and.... ..... Sept. 41
Cement—American, In India, by Avra M. Murray .....Sept. 47
—American In India, A Letter from Maxted & Knott.....Nov. 79
—In Brazil .....July 13
—British Standard Specification for Portland .....Oct. 64
—Conditions In German Industries.Sept. 43
—On Free List, by Irvin D. Foos..Oct. 60
—Imports of Into Brazil.....July 12
—Industry In England Decreased In 1921, by Irvin D. Foos.....July 10
—Industry—Iron and Steel, and Their Application In the, by W. R. Shimer .....Aug. 31
—Industry In China, by J. Morgan Clements .....Sept. 44
—Need of Research In the Industry, by P. H. Bates.....Oct. 55
—Output In July, 1922.....Sept. 43
—Portland—Output In May, 1922.July 5
—Portland—Output In June, 1922.Aug. 30
—Portland, In August, 1922.....Oct. 60
—Prices of In Cuba, by Harold D. Clum ..... Dec. 93
—Produced In Finland.....July 11
—Quality Control In Manufacture, by Richard K. Meade.....Aug. 25
—In 1921—A Review, by Robert W. Lesley .....Dec. 86
—Rock—Geology of, by U. S. Hannum ..... Sept. 37
—Storage and Transportation of Portland .....Oct. 61
—Study of Chemical Reactions In the Burning of Lime and *, by G. A. Rankin .....Nov. 72
—Trial—Cement Case Off Until Fall.. ..... July 13
—Trials — Kansas Cement Companies Fined .....Nov. 78
Chemistry—Chemical Plant Burns Its Own Lime *, by Richard K. Meade.Dec. 84
—A Rapid Volumetric Method for the Determination of Magnesia In Carbonate Rocks, by H. R. Brandenburg and A. H. Avakian.....Nov. 78
—Recent Improvements In Manufacture of Artificial Cements.....Dec. 95
—A Study of Chemical Reactions In the Burning of Lime and Portland Cement *, by G. A. Rankin.....Nov. 72
China—Cement Industry In, by J. Morgan Clements .....Sept. 44
Ciment—Fondu—French Equaled In United States, by H. H. Blaise.....Nov. 80
Coal Crusher—Pennsylvania Armorframe Single * .....Dec. 97
—Effect of Shortage of and Cars.Sept. 41
—Ignition Temperature of.....July 11
Colorado Portland Cement Company Builds Houses for Employees *, by E. J. Strock.....July 28
Conveyor—Steel Belt for Cement Plants * ..... Sept. 42
Conveyors—Safety Specifications for.Aug. 29
Correction Factor of Standard Cement Samples .....Dec. 96
Corrosion Tests with Cal—A Letter from the Cal Chemical Co.....July 17
Cletrac Motor Powers Atlas Locomotive ..... July 17
Clinker—Heat Balance In Cement—A letter from C. E. Burgoon.....July 12
Clutches, Magnetic—In the Cement Industry * .....July 3
Crusher Building—Repairing a Wood *, by E. G. Baker.....Oct. 50
Cuba—Prices of Cement In, by Harold D. Clum .....Dec. 93

D

Dewey Portland Cement Co. Storehouse and Shops Rebuilt *.....Dec. 90
Diesel Type Engine for Shovel *....Aug. 36

E

Efficiency—Increased Production In the Industries, by P. H. Bates....Oct. 55
England—Cement Industry Decreased In 1921, by Irvin D. Foos.....July 10
—Cement Prices Reduced.....Sept. 40
—Standard Specification for Portland Cement .....Oct. 64
European Cement Industry—Belgians and Germans Dominate .....Dec. 91

F

Fabrica de Ciment Din Turda Rumanian Cement Mill *, by P. F. Bagge.Aug. 19
Fine Material—Chemist's View of Bin Design, by H. Larmour.....Sept. 40
—Material—Withdrawing from Bins *, by E. J. Strock, P. R. Chamberlain and John J. Porter.....Sept. 39
Finland—Cement Produced In.....July 11
Freight Rate—Southern Railway Rate Justified .....Aug. 29
—Rates—Western Settled, by Irvin D. Foos .....Sept. 51
Fuel Economy—Advantages of Pulverized Fuel .....July 13
—Economy—Heat Balance In Cement Clinker—A Letter from C. E. Burgoon .....July 12
—Economy—Ignition Temperature of Coal .....July 11
—Economy — Recovery of Radiated Heat from a Rotary Kiln *, by R. E. B. Hall.....Oct. 56
—Economy—Utilization of Waste Heat from Rotary Cement Kilns, by Joseph Brobston .....Oct. 57

G

Geology of Cement Rock, by U. S. Hannum .....Sept. 37
Germany—Belgians and Germans Dominate European Cement Industry.. ..... Dec. 91
—Cement Supreme In Brazil.....Oct. 63
—Conditions In Industries.....Sept. 43
Glens Falls Portland Cement Co. Completes Office and Laboratory Building * .....Nov. 69
Gravel—Sand and, Three Forks Portland Cement Co. Operates New Plant *, by E. U. Leh.....Oct. 53

H

Heat Balance In Cement Clinker—A Letter from C. E. Burgoon.....July 12
—Recovery of Radiated from a Rotary Kiln *, by R. E. B. Hall.....Oct. 56
—Waste, Utilization of from Rotary Cement Kilns, by Joseph Brooston.Oct. 57
Hermitage Cement Co. Progressing.July 7
Houses—Colorado Portland Cement Company Builds for Employees *, by E. J. Strock.....Aug. 28
Hunkins-Willis Lime & Cement Co. Subsidiary Plant In Missouri Reconstructed * .....July 1

I

Ignition Temperature of Coal.....July 11
Iron and Steel and Their Application In the Cement Industry, by W. R. Shimer .....Aug. 31
India—American Cement In, by Avra M. Murray .....Sept. 47
—American Cement In—A Letter from Maxted & Knott.....Nov. 79

J

Jugo-Slav Government—Present Specifications for Portland Cement Used by, by K. S. Patton.....Aug. 30

K

Kiln—Recovery of Radiated Heat from a Rotary *, by R. E. B. Hall....Oct. 56
Kilns—Passing of Picturesque Lime *.. ..... Aug. 29

L

Labor Conditions—Effect of Shortage of Coal and Cars.....Sept. 41
—Conditions—Cement Mill Employes Increase In Number.....Dec. 93
—Conditions — Lehigh Valley Safety Council Urged to Prevent Waste... ..... July 13
Laboratory Building—Glens Falls Portland Cement Co. Completes Office and * .....Nov. 69
Lime—Association Convention Covers Interesting Subjects In Lime Industry .....July 6
—Burning In New Brunswick Increased, by W. J. McNulty.....July 10

—Chemical Plant Burns Its Own *, by Richard K. Meade.....Dec. 84
—Industry In New Brunswick....Oct. 65
—Intelligent Scientific Control Essential to the Industry, by Warren E. Emley .....Oct. 56
—Kilns—Passing of Picturesque *.Aug. 29
—Plant, Missouri—Reconstructed *.July 1
—Producer—Bureau of Mines Assistance to, by O. Bowles.....July 9
—Study of Chemical Reactions In Burning of, and Portland Cement *, by G. A. Rankin.....Nov. 72
Locomotive—Cletrac Motor Powers Atlas ..... July 17

M

Magnetic Clutches In the Cement Industry *, by W. H. Costello.....July 3
Mechanical Equipment—Chemical Plant Burns Its Own Lime *, by Richard K. Meade .....Dec. 84
—Equipment—Chemist's Views of Bin Design, by H. Larmour.....Sept. 40
—Equipment—Cletrac Motor Powers Atlas Locomotive * .....July 17
—Equipment—Iron and Steel and Their Application In the Cement Industry, by W. R. Shimer.....Aug. 31
—Equipment—Magnetic Clutches In the Cement Industry * .....July 3
—Equipment—Missouri Lime Plant Reconstructed * .....July 1
—Equipment—Pennsylvania Armorframe Single Roll Coal Crusher *....Dec. 97
—Equipment—Recent Improvements In Manufacture of Artificial Cements ..... Dec. 95
—Equipment—Rumanian Cement Mill *, by P. F. Bagge.....July 19
—Equipment—Steel Belt Conveyor for Cement Plants * .....Sept. 42
—Equipment — Three Forks Portland Cement Co. Operates New Sand and Gravel Plant *, by E. U. Leh.Oct. 53
—Equipment—Use of Slip-Ring Induction and Synchronous Motors In Cement Mills, by H. W. Rogers.July 8
—Equipment — Utilization of Waste Heat from Rotary Cement Kilns, by Joseph Brobston.....Oct. 57
—Equipment—Withdrawing Fine Material from Bins *, by E. J. Strock, P. R. Chamberlain and John J. Porter .....Sept. 39
Motors—Use of Slip-Ring Induction and Synchronous In Cement Mills.July 8

N

National Lime Association Appoints Division Managers .....Dec. 97
—Lime Association Convention Covers Interesting Subjects In Lime Industry .....July 6
—Lime Association—Extends Activities ..... Nov. 80
New Brunswick—Lime Burning In Increased, by W. J. McNulty....July 10
—Brunswick—Lime Industry In, by William J. McNulty.....Oct. 65
—Zealand—Big Blast Fired In.....Dec. 91

O

Office—Glens Falls Portland Cement Co. Completes, and Laboratory Building * .....Nov. 69

P

Peerless White Lime Co. Reconstructed * ..... July 1
Phoenix Portland Cement Co. to Expand In South .....Oct. 63
Prices—English Cement Reduced....Sept. 40
Production—Cement In 1921—A Review, by Robert W. Lesley.....Dec. 86
—Increased Efficiency In the Industries, by P. H. Bates.....Oct. 55
—Portland Cement In May, 1922..July 5
—Portland Cement In June, 1922.Aug. 30
—Portland Cement in July, 1922..Sept. 43
—Portland Cement In August, 1922.Oct. 60
—Portland Cement In September, 1922 ..... Nov. 81
—Portland Cement Output In October, 1922 .....Dec. 92

Q

Quality Control In Cement Manufacture, by Richard K. Meade.....Aug. 25
Quarry Methods—Big Blast Fires In New Zealand .....Dec. 91
Quarries—Record of Accidents.....Nov. 71

R

Refractories—Bauxite .....July 12
Repairs—to Wood Crusher Bldg. *, by E. G. Baker .....Oct. 59
Research—Place of Scientific In the Program of Trade Associations, by Edward R. Weidlein.....Dec. 94
Rope—Formula for Strength of.....July 17
Rumanian Cement Mill, Fabrica de Ciment din Turda *, by P. F. Bagge ..... Aug. 19

S

Sand and Gravel Plant—Three Forks Co. Operates New *, by E. U. Leh.Oct. 53
Scrap—What Are You Doing with Your? ..... Dec. 92
Security Cement & Lime Co. Expands.. ..... Oct. 63
Shops—and Storehouse of Dewey Portland Cement Co. Rebuilt *...Dec. 90
Shovel—Diesel Type Engine for *....Aug. 36
Sieves—Correction Factor of Standard Cement Samples .....Dec. 96
Slag Cement .....Nov. 81
Slip-Ring Induction Motors and Synchronous Motors In Cement Mills, by H. W. Rogers.....July 8
South Dakota to Proceed with Plant.Oct. 62
Southern Railway Rate Justified....Aug. 29
Spencer B. Newberry Passes.....Dec. 97
Specification—British Standard for Portland Cement .....Oct. 64
Specifications for Portland Cement Used by Jugo-Slav Government, by K. S. Patton .....Aug. 30
State Cement Plant—South Dakota to Proceed with .....Oct. 62
Storage and Transportation of Portland Cement, by W. M. Myers.....Oct. 61
Storehouse Dewey Portland Cement Co. and Shops Rebuilt *.....Dec. 90
Steel—Iron and, and Their Application in the Cement Industry, by W. R. Shimer .....Aug. 31
—Belt Conveyor for Cement Plants * ..... Sept. 42
Synchronous Motors and Slip-Ring Induction In Cement Mills, by H. W. Rogers .....July 8

T

Tariff—Cement On Free List, by Irvin D. Foos .....Oct. 60
—Duty On Canadian Cement.....Dec. 96
Three Forks Portland Cement Co. Operates New Sand and Gravel Plant *, by E. U. Leh .....Oct. 53
Trade Paper—Why It Pays to Read Your, by W. F. Schaphorst...Aug. 34
Transportation and Storage of Portland Cement, by W. M. Myers.....Oct. 61

V

Venezuela—Import of Cement In....July 13
Volumetric Method—for the Determination of Magnesia In Carbonate Rocks, by H. R. Brandenburg and A. H. Avakian.....Nov. 78

W

Waste Heat—Utilization of from Rotary Cement Kilns, by Joseph Brobston ..... Oct. 57
Waste—Lehigh Valley Safety Council Urged to Prevent ....July 13
